*Wear your school spirit shirt*

“Please join our school family in celebrating a SAFE & DRUG FREE life!! Please show your support & school spirit through participation in our drug free activities for the week. We can’t wait to see all our students showing off their pride in BEING DRUG FREE!!”

## Red Ribbon Week

History: The red ribbon was adopted as a symbol of the movement in honor of Enrique “Kiki” Camarena, an agent with the U.S. Drug Enforcement Administration who was kidnapped and killed while investigating drug traffickers. The campaign has reached millions of children and has been recognized by the U.S. Congress.

**Red Ribbon Week** is about encouraging kids to be drug-free and marking the progress we’ve made. This campaign provides opportunity between parents, school, local law enforcement and other agencies, to collaborate and look for new and innovative ways to keep our youth drug free.

**Kuentz school counselors** will also be discussing the importance of staying safe and drug free through grade appropriate guidance lessons during the month of October. We are so proud to be drug free & hope to continue to spread the message to our students! Feel free to see the counselor’s website for a list of *Drug Free Pledges* students will have the opportunity to recite about living a drug-free life & making healthy decisions. It is going to be a wonderful week!

**Dream It Believe It Achieve It!**
